First Affirmative Defense (No Infringement)

Domino's does not infringe and has not infringed any valid and enforceable claim of the '516 patent.

Second Affirmative Defense (Invalidity)

Claims of the '516 patent are invalid for failure to satisfy the conditions for patentability set forth in Title 35 of the United States Code, including without limitation Sections 101, 102, 103 and 112.

Third Affirmative Defense (Failure To State A Claim)

DietGoal's claims for relief fail to state a claim upon which relief can be granted.

(Improper Joinder)**

Some or all of the Defendants have been improperly joined in a single action, and Domino's asserts its right to a separate trial.

**Tenth Affirmative Defense
(Improper Venue)**

The Eastern District of Texas is not the proper forum for convenience pursuant to 28 U.S.C. § 1404. Domino's contends that the proper forum is the Eastern District of Michigan.

(Reservation of Affirmative Defenses)**

Domino's hereby reserves the right to supplement additional affirmative defenses as discovery proceeds in this case.
